We are the Torchbearers!

This article by A. V. Schaerffenberg originally appeared in *THE NEW ORDER* #94.

In the 1920's, Adolf Hitler created the White Peoples' movement of National Socialism, and it grew to become the mightiest ideological phenomenon in history. In the 1930's, he led it to political power and established the modern world's first White racial state. In the 1940's, National Socialists went down to the last shot against Jew-sponsored forces of Western Capitalism and Eastern Communism. In the 1950's, George Lincoln Rockwell replanted the Swastika in America and hoisted it to its first postwar success in the 1960's. In the 1970's, the Movement recovered from his assassination, conducted mass-actions on a hitherto unprecedented scale and won world-wide recognition. In the 1980's, due to human failings, subversion and internal chaos, the Movement virtually collapsed, but was

saved by the persistence of the NSDAP/AO's English-language newspaper *The New Order*, which weathered the storm and became a fixed bulwark around which old comrades and new ones could gather. In the early 1990's, National Socialism is reasserting itself on an international level, with vast, untapped areas of support opening up in Eastern Europe.

This, in a nutshell, is the history of the National Socialist Movement. No individual who happened to live at any particular moment in its development could have guessed of the earthshaking events to come, both good and evil. A provincial Bavarian who joined Adolf Hitler in 1921 never dreamed that Germany, trampled underfoot after the First World War, would be leading the European Continent in a crusade against Soviet Russia only twenty years later. With the death of Commander Rockwell, any hope of regaining the White masses he reached seemed lost forever; yet, a few years later, they returned to cheer us, and in even greater numbers. To anyone who stood among the crowds of White Power t-shirts, final victory seemed only a matter of time. But not to be. And the Movement passed through a long decade of survival, brightened mostly by the underground battles of *The Order* in the mid-1980's. Now there is light on the horizon, and our Cause is picking up steam again.

What Our Struggle Really Means

Our own past teaches us, 1) no one can anticipate what lies ahead, and 2) each generation has its own task to fulfill.

The German Brown-shirts of the 1920s', the international S.S. detachments in World War II, Commander Rockwell's Stormtroopers and Marquette Park's crowds in White Power t-shirts all fought for the same goal - White Victory. And each achieved part of the final triumph they helped make possible in the future. Only the specific tasks they were given to achieve that victory were different. The Brown-shirts enabled their leaders to get elected. The European S.S. men defended civilization with armed resistance. Rockwell's Stormtroopers made his public speeches possible. Activists in White Power t-shirts fought for their families and community against nigger invasion. What, then, is our task? How are we to work for White Victory?

We Are the Torchbearer Generation

This means that it is our task to keep the National Socialist Idea alive for the next phase soon to come, when the masses of our people will again be receptive to the

concept of White Victory. That time is just around the corner, as Americans reach the end of their patience with nigger savagery and economic chaos. Millions of Hungarians, Croats, Slovenes, Romanians, Poles and even Russians are awakening to the Jewish bacillus and beginning to look to us for leadership.

Future generations will remember us with compassion, admiration and envy. Compassion for our difficult passage through a Dark Age of ignorance and terror. Admiration for our courage and determination to uphold our ideals in the face of overwhelming opposition. Envy for the opportunity we have in this hard time to prove unquestionably our will power and our loyalty to our race, thus winning ourselves a unique and venerated position in the history of National Socialism.

We are not permitted to see what lies ahead. But when we set out on this revolutionary quest, each one of us was given an instinct for victory, towards which we must march. For us, our watch words are: "*Victory or Death!*" The Movement's victory means life for our White Race; our failure (and we can only fail if we quit) means the death of our people. But rest assured: An Idea that can survive the devastation of World War II will certainly outlast the present Dark Age!

The Future: For Whites Only!

We are by no means alone. Only look over your shoulder, and you will see the masses in their White Power t-shirts. Behind them are Rockwell's Stormtroopers. Further back are the millions of Europeans who fought under the Swastika Race Standard from North Africa to Stalingrad. Behind them are the Brown-shirt legionnaires who won the streets for their Fuehrer. We are at the head of that half-century long march. We dare not stumble or quit!

So what if millions of us have been killed? The Movement still rolls forward and nothing on earth has been able to stop it! So what if the niggers and spicks have rotted out our cities? All the better to build new and more beautiful ones *in a future for Whites only!* So what if we have made bad mistakes, and worse? We are only mortal human beings striving for the superhuman!

We have had wonderful Golden Ages in our brief history - the Third Reich, the Rockwell years, and the triumphs in Chicago. There will be more to come, and no less splendid. An all-White planet beckons in the coming Century. Great things lie ahead - not far. We are even now beginning to make them out in the glimmer of our torch. The time will someday be at hand when those who come after us will look back on our unflinching determination from the vantage point of an all-White Earth and remember us with deepest respect - "*They were the torchbearers!*"

Media Excerpts

The praise from our friends gives us encouragement. However, the *recognition from our enemies* provides an even more persuasive verification of our effectiveness. It is certainly just as sincere, but less biased in our favor. And hence all the more convincing!

“Openly and totally undisturbed by the authorities, he prints more than 20,000 copies of the banned newspaper NS-Kampfruf every two months and smuggles it into Germany. He produces swastika stickers by the millions...

“In the view of the German Office to Protect the Constitution Lauck’s NSDAP is the most important supplier of fascist publications for the German Nazi scene. Gary Rex Lauck himself estimates that 95% of all rightwing-extremist underground literature comes from him. By the ton, he gets printed matter into Reich territory. Propaganda material from Lincoln was connected to 72 violent crimes in 1992 alone.” – *Süddeutsche Zeitung Magazin*, March 4, 1994

“In Germany, (FBI Director) Freeh will discuss how to halt the flow of propaganda, money – and, perhaps, even paramilitary assistance – from American white supremacist groups to German neo-Nazis and skinheads...

“According to German law enforcement sources, Freeh will also discuss whether conspiracy laws may be used against Americans who try to violate German law by smuggling Nazi contraband.

“Freeh will make this a major theme of his trip,’ added a senior U.S. official...

“The FBI already has agents posted in Germany for liaison on such issues as bank robbery, organized

crime, wiretaps and the growth of computer mailboxes linking right-wing extremist groups worldwide.” – *Chicago Tribune*, June 27, 1994

“German federal police hint at actions against Nebraskan Gary Lauck...”

“The FBI has said it is investigating one high-profile case ‘based on leads from the Germans.’ Freeh did not identify the case.

“But Hans-Ludwig Zachert, head of the German Federal Criminal Police, told the news conference that ‘Gary Lauck (of Nebraska) since the 1980s has spread propaganda to Germany, a militant, extremist leaflet with polemic texts’ ...

“In an interview en route to Berlin, Freeh said the FBI might be able to legally give German police the addresses to which hate material is shipped from the United States. This would facilitate seizures by German police.” – *The Lincoln Star*, June 29, 1994

“But there’s little German authorities can do about U.S. resident Gary Lauck – identified by (Vice President of the Federal Office for the Protection of the Constitution) Frisch as the biggest supplier of propaganda to German neo-Nazis...

“At an exhibit on extremism, Frisch said he has had ‘intensive talks’ with the FBI about Lauck.

“‘They (the FBI) point out that freedom of speech is an absolute right in the United States and there is no chance to take legal action against him,’ Frisch said.

“‘Our only chance is intercepting it. But he (Lauck) doesn’t put a return address on the envelopes, so it’s hard to spot. We are able to confiscate some, but huge amounts get through,’ Frisch said.” – *The Lincoln Star*, February 21, 1995

Der Kampf geht weiter !

Seitlang führt mich die Kapitulation der Wehrmacht am 8. Mai 1945 in die nationalsozialistische Bewegung stärker als je zuvor in der Nachkriegszeit. Und zwar nicht nur in Deutschland, sondern auf globaler Ebene!
Mahnworte von Eisenstein, Verbotung, Verfolgung und Verdrängung haben nicht ausgereicht, den Kern der gesamten Idee unseres heilig geliebten Führers Adolf Hitler zu zerstören.
Alle Nationalsozialisten sind weiterhin unerschütterlich bereit, sich dem Kampf um die Erhaltung unserer völkischen Kultur zu widmen.
Die Bewegung ist zwar stärker geworden, aber die Gefahr des bürgerlichen Völkertums ist heute noch viel größer als in der Vergangenheit.
Die unerschütterliche Grösse ist aber dabei, den Völkern – gegen alle widrigen Völker (V) – zu bringen. Keine Müde und Ermüdung, Überforderung und Raumverengung.
Ob "legal" oder "illegal", ob im Widerkampf oder im Heimkampf, ob im Propagandakampf bzw. auf dem Feld der Kollaboration oder auf dem Feld der Kollaboration ist unser Führer Adolf Hitler der Führer!
Hail Hitler!

Interview with Molly
Part Three

NSK: Your current projects are obviously philosophical and art related.

Please describe your views on the impact of such topics in politics.

Molly: Well I try to still update the photo gallery, but mostly I've been concentrating on Adolf Hitler and the Army of Mankind (www.mouningtheancient.com/truth.htm) I'm at 21 pages now, and I have so much more to do. Studying WWII is an absolute minefield of information. You seek out information on one thing and find two more things to research. It feels a bit like you are an archeologist, unearthing the buried past. A past that they would rather not be brought to light. We can thank the internet again for the flood of information and pictures. Extremely rare stuff has

The Fight Goes On !

Seventy years after the capitulation of the Wehrmacht on May 8, 1945, the postwar National Socialist movement is stronger than ever not only in Germany, but throughout Europe.
Decades of mass murder, expulsion, persecution, and defilement have not sufficed to destroy the seed of the brilliant idea of our much loved Führer Adolf Hitler.
All National Socialists and other racially-aware countriesmen and social kinemen fight side by side for the preservation of our White folk.
The movement has indeed become stronger, but the danger of biological folk death is also much greater today than in the past.
The desperate enemy is in the process of committing genocide against all White folk. He means an anti-White, anti-Christian, anti-race, anti-discrimination, and neo-nazi.
Whether "legal" or "illegal", whether in obvious battle or secret battle, whether armed with propaganda material or on a battlefield of a different kind every National Socialist must do his duty!
Hail Hitler!
