

# Progress Report: Project “web1000”

220612-0130

**Note:** The “emergency backup web-site series” has been renamed “web1000”. (The old name was descriptive, but too long. The new name is inspired by the simultaneous project “nsb1000”, which refers to the new multi-lingual *WEEKLY NS News Bulletin*.)

May 24

First prototype *web1000* web-site **nsdapao.info** goes online.

May 29

Second *web1000* web-site **nsdapao.org** goes online. This site includes an “uploader,” which simplifies rapid and frequent additions.

June 6

Third *web1000* web-site **zensurfrei.is** goes online.

June 7

Fourth *web1000* web-site **third-reich-books.is** goes online.
