My Experiences in the National Socialist Underground in Germany in the 1970's

by Gerhard Lauck

Part III: First Visit to the Fatherland

September 1972.

I am at the airport in New York. Suddenly a news announcement: The Israeli Olympic team has been killed! (Naturally, I feel sorry for the Palestinians.)

The next day I arrive in Europe for the first time. At the train station I hear somebody call my name. I turn around and see an attractive young female student I had known in college. (Not in the Biblical sense.)

The first comrade I meet in Germany on my first trip is an old SA man. He had fled from the Communist zone, when he heard that the Communists were coming to arrest him for the *third time*.

This first evening we take a walk on a country path. I bend down. Pick up a handful of soil of the ancestral homeland. And kiss it.

Admittedly, it does not taste good. No matter. This is a symbolic gesture. Heartfelt.

On the way back to his house he points to a gulley. We have to avoid that area. Wild boar!

His ancient farmhouse is modest. Out-house. The kitchen stove provides the only heating.

When we sit down for our first meal, he proudly points at the swastikas on the plates and silverware. Third Reich originals!

Later he gives me an original, hand-sewn SA armband. It becomes one of my most cherished belongings. Along with our family Bible. And the original German MEIN KAMPF given to me by an American comrade. (He had purchased it in a used bookstore in New York City for \$10.00.)

During the next several weeks I visit comrades scattered throughout Germany.

When we learn a comrade has been arrested, I take another extensive trip to inform comrades. (We do not trust the phones.) During this trip I am concerned that I might be arrested. But this does not happen. I complete this task and return safely to the USA.

Media Excerpts

The praise from our friends gives us encouragement. However, the *recognition from our enemies* provides an even more persuasive verification of our effectiveness. It is certainly just as sincere, but less biased in our favor. And hence all the more convincing!

“The mere fact that the NS KAMPFRUF continues to appear shows that our large-scale action in March obviously didn’t accomplish much”, commented a police official. Police specialists complain that the NSDAP/AO continues its work based in Lincoln, Nebraska and that it still distributes propaganda material for the German Neo-Nazi scene. – *Offenbach Post*, October 10, 1995

“The trial leads abroad. Especially the American NSDAP/AO is viewed as the secret exile government of the Germany right and, according to the Office for the Protection of the Constitution, ‘worldwide the largest producer and distributor of NS-propaganda material.’” – *Süddeutsche Zeitung*, January 13, 1996

“Gary ‘Rex’ Lauck, the Nebraskan leader, visited Hasselbach. Lauck is probably the most powerful Nazi in the world, and about the only real player who can use the name Nazi. It is legal in America. He supports every sizable Nazi organization on earth with propaganda materials, and co-ordinates untold numbers of terrorist cells. (He is now under arrest in Germany, one of the men Hasselbach will be testifying against.)

“Hasselbach discovered a Nazi scene that was reassuredly huge and solid, straddling the globe, with a steady cash-flow, a strong historical sense of purpose and a surplus of weaponry and expertise. When he told all to the police years later they hardly believed him. The fallout from his revelations will not settle for years yet.” – *Spectrum* (United Kingdom), March 3, 1996

“The Simon Wiesenthal Center ranks him as ‘one of the most dangerous Neo-Nazi terrorists worldwide’”. – *Hamburger Morgenpost*, March 8, 1996

“Distribution of the NS KAMPFRUF was decentralized long before Lauck’s arrest. The illegal NSDAP/AO structure inside Germany has remained almost totally untouched.” - *die tageszeitung*, May 5, 1996

KAMPFSCHRIFT DER NATIONALSOZIALISTISCHEN DEUTSCHEN ARBEITERPARTEI AUSLANDS – UND AUßERLANDSABTEILUNG

Der Kampf geht weiter!

Seitdem Hitler nach der Kapitulation der Wehrmacht am 8. Mai 1945 die nationalsozialistische Bewegung wieder als 32 Jahre in der Nachtigallzeit. Und zwar nicht nur in Deutschland, sondern auf globaler Ebene!

Interesse von Wissenschaft, Verleihung, Verfügung und Veräußerung haben nicht ausgereicht, das Karze der gesamten Welt unsere hoch geliebten Führer Adolf Hitler zu zerstören.

Alle Nationalisten und weinende arbeitslose Volk- und Rassenmenschen stehen Schieber an Schieber im Kampf um die Erhaltung unserer weißen Völker.

Der Bewegung ist zwar nicht gelungen, aber die Gefahr des biologischen Untergangs ist heute noch viel größer als in der Vergangenheit.

Der verantwortliche Gegner ist aber dabei, das Volkstum – gegen alle weißen Völker (?) – zu beseitigen. Seine Mittel sind Erziehung, Überzeugung und Konsumierung.

Ob "Nazi" oder "Hitler", ob in Wahlkampf oder im Streikkampf, ob als Propagandamittel benutzt oder auf einem Bildschirm auf der Welt Nationalsozialist ist oder nicht!

Hilf Hitler!

Interview with Molly
Part Three

NSK: Your current projects are obviously philosophical and art related. Please describe your views on the impact of such topics in politics.

Molly: Well I try to still update the photo gallery, but mostly I've been concentrating on Adolf Hitler and the Army of Mankind (www.mourningtheancient.com/truth.htm) I'm at 21 pages now, and I have so much more to do. Studying WWII is an absolute minefield of information. You seek out information on one thing and find two more things to research. It feels a bit like you are an archeologist, unearthing the buried past. A past that they would rather not be brought to light. We can thank the internet again for the flood of information and pictures. Extremely rare stuff has

The Fight Goes On!

Seventy years after the capitulation of the Wehrmacht on May 8, 1945, the postwar National Socialist movement is stronger than ever not only in Germany, but throughout Europe.

Decades of mass murder, expulsion, persecution, and defilement have not sufficed to destroy the seed of the brilliant idea of our much loved Führer Adolf Hitler.

All National Socialists and other racially-aware citizens and racial kinmen fight side by side for the preservation of our White folk.

The movement has indeed become stronger, but the danger of biological folk death is also much greater today than in the past.

The desperate enemy is in the process of committing genocide against all White folk. The means are non-White immigration, culture diversion, and re-orientation.

Whether "Nazi" or "Hitler", whether in election battle or street battle, whether armed with propaganda material or on a battlefield of a different kind every National Socialist must do his duty!

Hilf Hitler!
