RJG Enterprises Inc. - PO Box 612 - Fairbury NE 68352 – USA – www.third-reich-books.com

FIVE Julius Streicher / Der Stürmer books about The Jewish Question. Translated from the very rare and much sought after Third Reich originals. \$10.00 each or Complete Set of All Five Books only \$45.00.

() **#622-01 The Poisonous Mushroom.** Translated from the Third Reich original *Der Giftpilz*, this is one of rarest, most famous and most sought after “picture books” - actually, there is more text than pictures, although it is well-illustrated - published by the Stürmer Verlag of Julius Streicher. SC. 56pp. \$10.00..

() **#622-02 The Mongrel.** Translated from the original Third Reich book with the title *Der Pudelmopsdachelpinscher* – literally translatable as *The Poodle-Pug-Dachshund-Fox-Terrier* (which is also the title of one of the chapters) by Ernst Hiemer. The original illustrations by Willi Hofman – over thirty small black and white sketches – are also included. Nonetheless, this book consists primarily of text, not pictures. Originally published by the *Stürmer* publishing house of Julius Streicher in Nuremberg in 1940, this now rare book was aimed at children. It contains a dozen stories about dangerous or harmful animals, each followed by an unflattering comparison to Jewry. These animals include, but are not limited to, hyenas, grasshoppers, blood-suckers, poisonous snakes, tapeworms and bacillus. This book is also rare, even among Third Reich books, in its open call to totally *destroy* Jewry, and indeed *world-wide*, as a necessary final step in an inescapable struggle to the death between Jewry and *all* the non-Jewish folks of the world. SC. 63pp. \$10.00.

() **#622-03 The Jewish Question in the Classroom.** Translated from the Third Reich original *Die Judenfrage im Unterricht* by the municipal school inspector Fritz Fink. It has a foreword by Julius Streicher and it was published by Streicher’s *Stürmer* publishing house in Nuremberg in 1937. In his short work, Fink explains to the German educators of the Third Reich how to present the *Jewish Question* to their pupils. SC. 44pp. \$10.00..

() **#622-04 Trust No Fox on Green Heath and No Jew on His Oath.** Translated from the rare Third Reich picture book *Trau keinem Fuchs auf grüner Heide und keinem Jud bei seinem Eid*. It was first published by the Stürmer publishing house of Julius Streicher as „a picture book for old and young by Elvira Bauer“. It consists of roughly half text and half pictures. Dual English/German text. SC. 45pp. \$10.00.

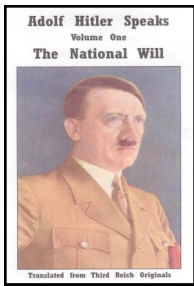

() **#622-05 Jews Introduce Themselves & Without Solution of the Jewish Question No Salvation of the German Folk.** Translated from *two* rare Third Reich picture booklets published by the *Stürmer* publishing house of Julius Streicher: *Juden stellen sich vor* & *Ohne Lösung der Judenfrage Keine Erlösung des deutschen Volkes*. It consists of illustrations with brief captions. Dual English/German text. SC. 47pp. \$10.00..

Hitler's Priest:

The Anton Holzner Collection

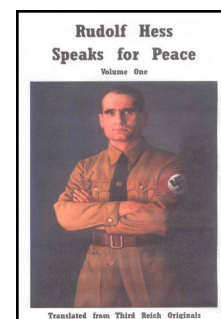

Anton Holzner (the pseudonym for SS-Sturmbannführer Albert Hartl) was a former Catholic priest (!) who left the priesthood and the church and became an SS officer!
