Effective Propaganda

A True Story

A dozen mostly elderly citizens stand in line. They are waiting for the food bank to open. This is a small town. People are friendly. They easily get into conversations.

Somebody says it is very sad that young people have to fight and die in wars in faraway countries.

Everybody agrees.

An American veteran of World War Two also agrees. But adds:

“It is not like World War Two!”

A National Socialist, who is also standing in line, cannot resist the temptation. He says this:

In World War Two Germany fought against Communism. America fought for Communism. What was the result?

Communist expansion in Eastern and Central Europe ... Cold War ... Threat of nuclear war ... Communist expansion in Asia ... Korean War. The first war America did not win ... Vietnam War ... The first war America lost ...

Geopolitically speaking, Europe is likely to be dominated by Germany or Russia. And Asia by Japan or China.

Germany and Japan are small countries. They might be able to take over their own continents. But they would find it difficult to keep control.

They could not expand farther. Even if they wanted. But they did not want to do so.

Russia and China are much bigger countries. It would be much easier for them to try to expand beyond their own continents. Furthermore, Communists openly promote "World Revolution."

When the National Socialist finishes there is a moment of silence.

The American World War Two veteran is standing right in front of him. Looking at him.

**Then the veteran *shakes the hand* of the National Socialist.
And *thanks* him for explaining this!**

The Odyssey of Fred

Part Eight My First Trip to Town

Okay. I know it is not nice to eavesdrop.

However, if people sit close and talk loud enough for me to hear, then it is not eavesdropping. It is an accident.

A fortunate accident!

**The medical staff appreciates my notes.
And I get rewarded!**

This is how I earned permission for my first trip to town.

The timing was great!

Helga and the old guy, Gebhardt, were in town at the same time. (I do not know whether or not he is related to Karl.) She even introduced us to some of the local shopkeepers.

Our staff and even guests are popular. We are always polite and neighborly. Buy lots of souvenirs. And leave big tips.

Seems fair. We also spill water, use lots of napkins, talk too loud, and draw attention. (But no lawyer letters!)

Some guests also talk to the dogs and cats. Fortunately, this is attributed to love of animals. Not mental problems.

The limousine driver Brandon is probably the most popular *male* staff member among the local citizens. We often see signs wishing him good luck!

Helga always distracts me. So I did not notice Elmer. Until my escort pointed him out.

Elmer's club likes to keep an eye on us. But they have never physically or verbally abused us. So we ignore them. Until we return to the facility. Then we tell jokes about them.

Apparently, Elmer's club thinks our facility is a secret base. And the staff is conducting experiments related to psychological warfare.

Dumb jokes supposedly play a big role. (This is the only part that seems plausible.)

Elmer even wrote a short story entitled "Our Town Eccentric." It is based on the "surveillance" of Gebhardt.

Unfortunately, it is difficult to translate, because it is written in American slang.

NS KAMPFRUF
KAMPFSCHRIFT DER NATIONALSOZIALISTISCHEN DEUTSCHEN ARBEITERPARTEI AUSLANDS- UND AUFBAUGEMEINSCHAFT

Der Kampf geht weiter !

Seitlang haben nach der Kapitulation der Wehrmacht am 8. Mai 1945 in der nationalsozialistischen Bewegung wieder die ja schon in der Nachkriegszeit über zwei millionen in Deutschland, sondern auf globaler Ebene?
Maßnahmen zum Massensterben, Vertreibung, Verdünnung und Verlöcherung haben nicht ausgereicht, die Kräfte der gesamten über unseren Kopf gehenden Führer Adolf Hitler zu zerstören.
Alle Nationalsozialisten sind weiterhin arbeitslos, Verloren- und Rassengetriebenen stehen Schicksal an Kinder im Kampf um die Erhaltung unserer weißen Völker.
Der Kampf geht weiter, nicht nur in Deutschland, aber die Größe der biologischen Völkern ist kein Maßstab für die Größe der Völkervernichtung.
Der vorwiegend Gegner ist dies dabei, das Volkstum - gegen alle weißen Völker (V - in England, Seine Mittel und Erwerbungs, Überforderung und Rassenvermischung.
Ob "Jugend" oder "Jugend", ob in Wahlkampf oder im Brautstand, ob im Propagandakrieg, bewacht oder auf einem schicksalhaften anderen Art. Jeder Nationalsozialist ist seine Pflicht!
Heil Hitler!

Interview with Molly
Part Three

NSK: Your current projects are obviously philosophical and art related.

Please describe your views on the impact of such topics in politics.

Molly: Well I try to still update the photo gallery, but mostly I've been concentrating on Adolf Hitler and the Army of Mankind (www.mourningtheneicent.com/truth.htm) I'm at 21 pages now, and I have so much more to do. Studying WWII is an absolute minefield of information. You seek out information on one thing and find two more things to research. It feels a bit like you are an archeologist, unearthing the buried past. A past that they would rather not be brought to light. We can thank the internet again for the flood of information and pictures. Extremely rare stuff has

The Fight Goes On !

Seventy years after the capitulation of the Wehrmacht on May 8, 1945, the postwar National Socialist movement is stronger than ever not only in Germany, but throughout Europe.
Decades of mass murder, expulsion, persecution, and defamation have not sufficed to destroy the seed of the brilliant idea of our much loved Führer Adolf Hitler.
All National Socialist and other racially-aware entrepreneurs and racial kinship fight side by side for the preservation of our White folk.
The movement has indeed become stronger, but the danger of biological folk death is also much greater today than in the past.
The desperate enemy is in the process of committing genocide against all White folk. His means are anti-White immigration, culture destruction, and neo-racism.
Whether "legal" or "illegal", whether in election halls or street battle, whatever armed with propaganda material or on a battlefield of a different kind every National Socialist must do his duty!
Heil Hitler!
