My Experiences in the National Socialist Underground in Germany in the 1970's

by Gerhard Lauck

Part V: The Experiences of other Comrades

The military police question a comrade known to be a nationalist. They inform him a NSDAP/AO poster had appeared on the wall in a military barracks. He truthfully tells them he has no idea who put it there. The next week he puts a NSDAP/AO swastika sticker at the same spot. The unknown comrade will know there is another National Socialist on the base.

It is not uncommon for comrades to see swastika stickers that they had not pasted there. They know: *We are not alone!*

One of the civilian employees of the Bundeswehr has a photograph of Großadmiral Karl Dönitz on his desk. No problem!

A National Socialist marries a Communist. In 1933 he gets her out of jail. In 1945 she gets him out of jail. A practical arrangement!

A National Socialist puts a huge swastika flag at the top of a tall industrial chimney. On the way down, he removes several step rings. The next morning this flag is visible throughout the whole city. It takes the fire department several hours to remove it.

My driver points to the grassy hill next to the Autobahn. "Years ago, comrades burned a fifty meter swastika into the grass there. It was visible for miles."

A comrade says he attended a Hitler birthday party (Führersgeburtstagfeier). The whole village was there. Including the mayor.

A comrade is invited to join the public speaker school of a nationalist party. But he cannot say "national democratic." He can only say "National Socialist."

Another comrade becomes a public spokesman for a nationalist political party. He always wears a swastika pin on the INSIDE of his coat lapel. During a television interview the lapel gets turned around. The swastika is visible. On television.

A member of the German parliament (Bundestag) has too much to drink. He walks down the street. Singing a National Socialist song. And gets arrested.

A comrade is putting up NSDAP/AO swastika stickers in the Nuremberg stadium. He sees three policemen approaching. Too late to run. He stands with his back to the wall. Hopes to hide the stickers. The police ask him to step aside. He does. And expects to be immediately arrested.

The three policemen stand at attention. Click their heels. Give the Hitler salute. Turn around. And walk away.

Media Excerpts

The praise from our friends gives us encouragement. However, the *recognition from our enemies* provides an even more persuasive verification of our effectiveness. It is certainly just as sincere, but less biased in our favor. And hence all the more convincing!

“A Nebraska publisher was sentenced to four years because he practiced the First Amendment.

“The sentence raised serious constitutional questions in America. For instance, where is the U.S. government when American rights are being superseded by foreign law? And why were the Danes allowed to kidnap a U.S. citizen? Why were the Germans permitted to hold him?

“Sieg argued the trial was illegal because Germany has no right to tell a U.S. citizen what to do in the United States, nor for actions taken in the U.S. that are crimes in Germany. But the U.S. State Department has refused to go to bat for Lauck.” - *The Spotlight*, September 23, 1996

“After more than four years in six different European prisons, Gary Lauck is more determined than ever to bring the National Socialist party into the forefront of global politics...

“If anything, I’m even more determined and fanatical than before,” Lauck said...

“During an interview in Lincoln Thursday morning, Lauck said the German government broke both American and international law, violating the sovereignty and Constitution of the United States.

“This is not about me or my political views,” he said. “This is about the right of every American citizen to practice free speech without a foreign country claiming jurisdiction and without the bastards in Washington letting them get away with it. We (the NSDAP/AO) are preparing massive legal action against my kidnapers both here and abroad.”

“Lauck said he’d never stop challenging his enemies.

“If I die and St. Peter asks me if I want to go to heaven or go back and fight, I want to go back and fight.” – *Lincoln Journal Star*, April 2, 1999

A joke? He was never a joke,” said Bob Wolfson, former director of the Anti-Defamation League’s Plains States Region, when I questioned Lauck’s significance. “If you’re talking about American Nazis that have had an impact interna-

tionally in the last 50 years, Gerhard is probably number one.” – *The Guardian* (UK), July 6, 2017

Der Kampf geht weiter !

Seitdem haben sich die Kämpfer der Wehrmacht am 8. Mai 1945 in der nationalsozialistischen Bewegung gefügt als je zuvor in der Nachkriegszeit. Und zwar nicht nur in Deutschland, sondern auf globaler Ebene!

Schlachten von Stummheim, Vörsching, Vörsching und Vörsching haben nicht ausgereicht, den Kern der gesamten Welt unsere heilig geliebten Führer Adolf Hitler zu erschaffen.

Alle Nationalsozialisten sind weiterhin gefolgt. Hitler und Kampfgemeinschaft stehen Schicksal an Schicksal an Kampf um die Erhaltung unserer wertvollen Werte.

Die Bewegung ist zwar stärker geworden, aber die Größe des heutigen Volkstums ist heute noch viel größer als in der Vergangenheit.

Die wesentliche Ursache ist oben dabei, die Volkstümer - gegen alle wissen Hitler (?) - in heutigen Staat Mittel und Eisenbahn, Überland und Kampfgemeinschaft.

Es "legal" oder "illegal", ist im Weltkrieg oder im "Stummheim", ist ein Propagandamittel, bewirkt oder auf einem Kollisionsfeld anderer Art. Alle Nationalsozialisten sind unsere Führer!

Hail Hitler!

Interview with Molly

Part Three

NSK: Your current projects are obviously philosophical and art related.

Please describe your views on the impact of such topics in politics.

Molly: Well I try to still update the photo gallery, but mostly I've been concentrating on Adolf Hitler and the Army of Mankind (www.mourningtheancient.com/truth.htm) I'm at 21 pages now, and I have so much more to do. Studying WWII is an absolute minefield of information. You seek out information on one thing and find two more things to research. It feels a bit like you are an archeologist, unearthing the buried past. A past that they would rather not be brought to light. We can thank the internet again for the flood of information and pictures. Extremely rare stuff has

The Fight Goes On !

Seventy years after the capitulation of the Wehrmacht on May 8, 1945, the postwar National Socialist movement is stronger than ever not only in Germany, but throughout Europe.

Discards of mass murder, expulsion, persecution, and defilement have not sufficed to destroy the seed of the brilliant idea of our much loved Führer Adolf Hitler.

All National Socialists and other racially-aware consciences and social kinemen fight side by side for the preservation of our White folk.

The movement has indeed become stronger, but the danger of biological folk death is also much greater today than in the past.

The desperate enemy is in the process of committing genocide against all White folk. His means are non-White immigration, culture destruction, and neo-nazism.

Whether "legal" or "illegal", whether in distant battle or street battle, whether armed with propaganda material or on a battlefield of a different kind, every National Socialist must do his duty!

Hail Hitler!
