Unsung Heroes of the White Race

Part 1

Introduction

Unsung Heroes of the White Race is a collection of seven articles by A.V. Schaerffenberg which appeared in the NSDAP/AO newspaper *The New Order* between 1991 and 1994.

If you like the articles, thank him.

If you do not like the compilation, blame me.

Obviously, the vast majority of unsung heroes is not - and can not - be included in a single short book. No offense is intended against these many, many unsung heroes!

Most important are the unsung he-

George Lincoln Rockwell

roes - past, present *and future* - who are represented in the last chapter: *The Torchbearers!*

These torchbearers must achieve the final victory.

YOU can be one of them!

George Lincoln Rockwell

You ask what is most needed today? He that commands great things! It is the Commander that is most needed "

Friedrich Nietzsche

August is a time of deep significance for the loyal followers of George Lincoln Rockwell. We commemorate that special month in which he experienced both the triumph and tragedy of his mission here on Earth.

On August 21st, 1966, he stood before a crowd of 3,000 people in a Chicago park. Unlike the mobs which had met him with violent hostility for the eight previous years, this crowd waited patiently for him to speak. And speak he did:

"Our city parks and neighborhoods are being turned into human garbage-dumps and seething Black jungles by an invasion of ugly, agitated coons! White families by the millions have been forced to run for their lives from the very neighborhoods where they were born and raised. They are being uprooted by Black-racist terrorism, an urban guerilla warfare falsely portrayed in the news media as a "crime wave". But it is terrorism nonetheless and it is directed against White people. Just look at the neighborhoods only a few miles away from this clean, safe and happy park. They were once, not too many years ago, just as nice. But they have since been transformed into filthy, littered pestholes of decay and gang violence by the same black scum who want this area."

The Birth of *WHITE POWER*

Never had the crowd of Chicagoans heard the truth spoken so boldly in public before. Things only whispered in the privacy of their own homes or furtively discussed in local taverns were being declared loud and clear for the whole world to hear. They were young factory workers and retired home owners; mothers and housewives; high school students and even Lithuanian immigrants from the Jew-Soviet take-over of their Baltic homeland. All of them had good reasons to be interested in what the tall man in his 40s, a U.S. combat veteran of two wars for his country, had to say. He spoke with an honest eloquence that touched their minds and their hearts, and they responded with the first indications of approval. There were isolated shouts of agreement, then scattered, eventually enthusiastic applause. From the top of his camper flying the Stars and Stripes and emblazoned with the Swastika talisman beside the slogan in huge black letters, "Smash the Black Revolution!", Commander Rockwell did indeed command their long-slumbering racial patriotism:

"Are you prepared to turn your safe, White neighborhood over to a gang of savage niggers who have spoiled every area they invaded? Are you ready to see Chicago's last, beautiful and clean parks made into subhuman jungles of crime and blight?" There were involuntary cries of "No! No!"

"We have retreated long enough!," he concluded. "We have been on the run too long! It is time for us to do what every decent American in history has always done when faced with losing home and family; namely, fight back! White man, fight! Smash the Black Revolution!" And he gave the Hitler salute, as he belted. "WHITE POWER!" His listeners burst out into irrepressible cheers and long, wild applause, many responding with the same ancient salute and the new war cry. After years of nigger violence and government betrayal, White Americans had found their true and natural leader in the person of Lincoln Rockwell.

Triumph and Tragedy

In the months which followed that first mass rally in Chicago's Marquette Park, he went on to win the greatest successes of his life as a National Socialist. The Marquette Park mass meeting was duplicated in other parts of Chicago and throughout the Middle West, especially in Louisville, Kentucky, where White street action by thousands of Rockwell's new followers actually overcame government authorities

trying to protect a Black-Communist gathering and sent both spooks and federal marshals running for their lives. The ensuing and intense media coverage elevated Rockwell's name to international recognition, and White people around the world began to regard him as the last and best hope for the survival of their race.

Riding the tide of historical inevitability to even greater success, the Commander was rightly perceived by the Jewish powers-that-be as the greatest threat to their race-mixing schemes since the Second World War. On August 25th, 1967, only little more than a year after his public triumph in Marquette Park, George Lincoln Rockwell was assassinated not far from his offices, in Arlington, Virginia. Two 9mm pistol shots fired from the roof of a shopping center furrowed his right temple and struck him in the heart. Summoning up his last strength, he stood erect, pointed accusingly in the direction of his murderer, then collapsed on the pavement. The world media trumpeted with Hebraic jubilation and the popular movement he brought to such wonderful heights in so short a time seemed to have died with him just as suddenly.

“You can murder me, but you can't kill me!”

His last major project, finished only weeks before, was the publication of his book, *White Power*. After 27 years, it is still eagerly sought out by a new generation of racial patriots for its eternal wisdom and chilling prophecies. At the time of his death, Commander Rockwell was in the process of relocating national headquarters to the southwest side of Chicago, scene of his most enduring successes among the White masses. While he did not live to see that transfer take place, a headquarters building dedicated in his name operated successfully in the Marquette Park area for the decade of the 1970s. And his voice may still be heard in the many recordings of his speeches, which are even more pertinent today, than when he uttered them in the 1960s.

His name and greatness endure and can only grow in magnitude, as the Idea he gave his life for inspires late 20th century comrades. They walk the path to victory blazed by him thirty years ago. The events he set in motion back then have their repercussions through our time and echo into the future. And at the end of that future shines the image of the man who made our victory possible in America: George Lincoln Rockwell.

Program for an All-White America

At the same moment George Lincoln Rockwell raised the Swastika banner for the first time since World War Two, he laid out his clear blueprint for a National Socialist America. It was among the most eloquent statements he ever made and will be recognized in the future as one of our country's most important documents - a 20th century Declaration of Independence for White Americans.

This early Program, written in late 1958, was crucial in defining the ideological direction his movement would be taking. It was likewise strategic in attracting and inspiring his first adherents. In it, he "Americanizes" National Socialism by applying the high wisdom evolved from the genius of Adolf Hitler to the particular problems faced by Americans in the post-Third Reich Era. This important document not only demonstrates Rockwell's insightful grasp of "Realpolitik", but is no less valid today, certainly more so, in view of the societal depths to which our country has sunk since he penned it, over three decades ago. As such, it needs to be read by a new generation of racial freedom fighters, who should understand precisely what they are fighting for.

The Program not only reflects on the intellectual brilliance of Commander Rockwell, but the 36 year old document proves that National Socialism is never out of date, because it cannot be rendered obsolete by events, unlike democracy, dying of its own equalitarian superstitions, or defunct communism. Far from it, Rockwell's great, truly progressive and organic program shines brighter in today's deeper darkness and will continue to illuminate a future that can only belong to us!

The Jewish Problem

We shall investigate, try, and execute all Jews proved to have taken part in Marxist or Zionist plots of treason against their Nations or humanity.

We shall immediately remove all disloyal Jews from positions where they can control non-Jewish thoughts or actions, particularly from the press, government, education, entertainment and courts.

We shall expose the criminal nature of the hate-book of the Jews, the Babylonian Talmud, by wide publication of its actual vicious words of hate and extermination of all non-Jews.

We shall cancel all debts owed to Jews by non-Jews, where there is evidence of unfair or immoral business methods or conspiracy.

We shall establish an International Jewish Control Authority to carry out the above measures on a world-wide basis, to protect the rare honest Jews from the wrath of the people newly awakened to the truth about the Jews, and to make a long-term, scientific study to determine if the Jewish virus is a matter of environment and can be eliminated by education and training, or if some other method must be developed to render Jews harmless to society.

We shall establish an International Treason Tribunal to investigate, try, and publicly hang, in front of the Capitol, all non-Jews who are convicted of having acted consciously as fronts for Jewish treason or subversion, or who have violated their oaths of office, or participated in any form of treason against their Nation or humanity.

The Negro

We shall appropriate ten billion dollars a year, for five years, from the money now being wasted fighting over integration, poured into foreign aid, and lost on Negro crime, and use the money to build a modern, industrial nation in Africa, complete with shopping centers, airlines, super-highways, cities and handsome suburbs, and everything else to make it the finest in the world; and then grant \$ 10,000 to every Negro family of five or more migrating to the new land to help them build a home and establish a business. We believe that if this is done with ABSOLUTE SINCERITY, we can make up to our sorely oppressed second-class citizens some of the injury and degradation we have heaped upon them, and help them to regain their self-respect and dignity as first-class citizens who will lead their own Continent Out of its Darkness with their American know-how and our sincere and generous help. It is inconceivable that any significant number of Negroes will resist such an inspiring and historical opportunity. But no Negroes will be FORCED to return to Africa.

However, Negroes remaining in America will be rigidly segregated non-citizens.

White Survival

We shall establish a National Eugenics Commission to discourage the unlimited breeding of the least desirable elements of our society, to sterilize those who are hopelessly insane or otherwise biologically dangerous to innocent, unborn children, and to encourage, with early marriage subsidies and bonuses for childbirth, the reproduction of our best human stock.

Citizenship

We shall make citizenship a proud privilege to be earned, not a right carelessly awarded simply by birth in a certain geographical area. To be a citizen, an individual must have passed his eighteenth birthday, passed certain minimum tests of knowledge and ability to understand his government, be in the process of education or engaged in a productive enterprise, and be prepared to give his life in the defense of his Country and race. The conferring of citizenship shall be a major ceremony, to impress on all the precious privilege of membership in the greatest race and the greatest Nation ever to appear on the planet.

World Order

We shall assist all peoples to throw off the yokes of colonial oppression, and establish their own free National Socialist government.

We shall abolish the Marxist United Nations, and establish, in its stead, an organic Union of Free Enterprise National Socialist States, with a world police force to maintain order, and to bring the blessings of REAL peace, international responsibility and political sanity to the peoples of the earth.

Family Home, School

We shall take vigorous measures to restore to women the dignity and status they deserve as the creators of our citizens, and to eliminate the terribly disruptive idea that being the mother of a family is a job for any ignorant female, that she is just a drudging "housewife", that a woman must do something MORE, something mas-

culine, to prove she is "equal".

We shall elevate Family Management to the status of a genuine profession, which it should be, and establish Universities of Family Management to train women in a scientific and satisfying manner in pediatrics, gestation and birth, family economics, nutrition, family culture, philosophy and the arts, etc. Graduates will be granted degrees having the same status as Law or Medical degrees, and honored by every agency of the community for their accomplishment in the fields of their natural abilities and needs. We assert that a cultured, professional, thoroughly capable MOTHER is the equal of any man on earth, and will see to it that society recognizes that fact.

On the other hand, we shall eliminate from our civilization the disruptive doctrines of a false "equality" - meaning sameness with men - which is masculinizing and frustrating millions of our good women, breaking up our marriages, and wrecking our sacred family life. We shall encourage the restoration of the father as master of the home, grant subsidies where necessary to give the home and children a fulltime mother, and promote in every way the rebuilding of the home and family as the very fountainhead of goodness in our people.

We shall put an end to the foolishness of "progressive education", and give our youth a disciplined ability to think and understand, rather than "social values" which they should get in the home. We shall establish a physical culture program with something more than desultory games and half-hearted calisthenics, to harden and steal our youth to maximum physical fitness and exuberant health.

Social Sanity

We shall enact laws to protect every honest, working citizen from unforeseeable and ruinous catastrophes of all kinds; to assure him of education and training to the top level of his capacity (but ONLY to that level); to assure him of vital medical and hospital facilities by providing medical coupons usable with any physician and redeemed by the government, to protect him from "easy-payment" debt by insuring that every working man can earn enough to live decently without mortgaging his future to do it; to make easily available to all citizens major recreation facilities, such as vacation cruises, which give life zest and color, but which are presently dependent on wealth; to make all defense lawyers in criminal cases paid officers of the court, like the prosecutor, and not paid by the accused, to remove

the weight of money from the processes of justice involving the life or liberty of a citizen; and to protect the people from political and economic exploitation by any individual or group.

Economics

We shall abolish the Federal Reserve Central Bank, set up in violation of the Constitution, cancel all illegal debt resulting from the semiprivate issuance of INTEREST-BEARING money instead of genuine National money, and issue all currency solely by the National Government, with no interest.

We shall establish a National Economic Integrity Commission to eliminate speculation, the immoral gambling by idle men in the labor of others, as a sole means of earning money. The commission will insure that no able man is permitted to enjoy a lion's share of the luxury, products and services created by the labor of others without contributing his own share of goods and services by his own management, invention or labor. The mere delivery of some of the tokens called "money", with absolutely no productive effort by a man enjoying the goods and services of society, is a fraud on society, disintegrates the character of such an idle individual, and destroys the honesty and strength of the society which permits it.

No one man or group will be permitted to profit from ownership of any public necessity which constitutes a monopoly. A monopoly shall be considered to exist whenever it would be impossible or impractical to have competition, and shall be owned only by the whole people.

We shall abolish the Marxist progressive income tax, and establish in so far as possible, direct taxes on the users of schools, roads, etc., with a manufacturer's tax to finance the facilities needed by all the people.

Business, Farm, Labor

We shall remove all possible controls from labor, the businessman and the fanner, and allow free enterprise and free bargaining to produce the efficiency unobtainable with any bureaucratic controls. We shall assist each group to form its own control councils, on a local basis, to maintain order and communication, and national industrial councils to establish policies of mutual benefit. The government will

keep hands off all honest enterprises, labor and farmers so long as they do not coerce one another, take unfair advantage, or threaten the whole people, when compulsory arbitration will take place.

As a temporary measure, to protect all honest producers during the necessarily chaotic conditions following removal of the present crazy patch-work of controls and subsidies, we shall guarantee all honest producers a decent level of family income, until genuine free enterprise can bring genuine and natural order to the economy.

Honest Free Press

We shall make it a penitentiary offense for any medium of public information or entertainment to **CONSCIOUSLY MISLEAD THE PUBLIC** by lies, misrepresentations, omissions, deletions, or by any other method whatsoever.

To insure the real freedom of the press, which is presently only a myth in view of the need for millions of dollars to reach any significant segment of the population today, we shall establish a National Free Opinion Network of Newspapers, TV, Radio, Books and Magazines. These facilities will be available, upon petition, to any group of 1,000 or more citizens, for decent presentation of their views to the nation without cost, subject, of course, to the penalties for conscious lying.

Crime, Vice

We shall deal ruthlessly and efficiently with habitual and natural criminals, and drive them permanently out of existence, instead of the present tearful dabbling with them as "lost sheep". At the same time, we recognize that millions of our best people are driven, under the impossible chaos of our times, into situations where there is almost no escape from the pressures except some illegal action. We shall remove the pressures from these oppressed people with the rest of this program, and take every measure to help these basically good people, and restore them to a productive role in the community.

We shall rescue most of the growing hordes of criminal teenagers by dealing with their need for aggression, action, danger and excitement realistically, by ending the nonsense of clubs and tea-parties, and forming them into para-military volunteer Police Youth Auxiliaries, to patrol America's crime-ridden Streets, and turn

would-be muggers, etc. over to regular authorities.

Since we recognize that it is utterly impossible to suppress entirely drinking and gambling in human society, we shall remove these two sources of much crime from the criminals, and establish a generous national lottery, and place the sale of alcoholic beverages under a control board. At the same time, we shall ruthlessly suppress all forms of vice, such as prostitution, dope addiction, homosexuality, etc. which are NOT universal and necessary, and which cannot be tolerated in any form without breeding disintegration and disease.

Government

We shall use only legal, constitutional means to win power in the United States, because we know the people will demand our services in government when they finally awake to the Jewish subversion of our people. Until then, we must train, and be prepared to establish an orderly government when the present false prosperity, false peace, false welfare, and false government blow sky-high under the blows of the Jews, as they surely will.

In power, we shall re-establish the actual function of the electoral college as intended by the wise founding Fathers of our Country to protect us from demagoguery, and we shall return the election of Senators to the State Legislatures.

We shall make the pay of all government employees directly dependent on their efficiency, apply modern business methods to government operation, and ruthlessly eliminate the hordes of bureaucratic parasites who make our present government the world's most wasteful, inefficient.

Der Kampf geht weiter !

Seitdem haben sich die Kämpfer der Wehrmacht am 8. Mai 1945 in der nationalsozialistischen Bewegung gefügt als je zuvor in der Nachkriegszeit. Und zwar nicht nur in Deutschland, sondern auf globaler Ebene!

Schlachten von Stummheim, Verbrechen, Verfolgung und Verdrängung haben nicht aufgehört, den Kern der gesamten Welt umsofort heil geführten Führer Adolf Hitler zu entwickeln.

Alle Nationalsozialisten sind weiterhin geführter Führer und Kampfgemeinschaften stehen Schicksal an Schicksal an Kampf um die Erhaltung unserer weißen Völker.

Die Bewegung ist zwar stärker geworden, aber die Größe der heutigen Völkerverdrängung ist heute noch viel größer als in der Vergangenheit.

Die wesentliche Ursache ist aber dabei, die Völkerverdrängung - gegen alle weißen Völker (7) - in begrenzter Weise Mittel und Eisenbahnen, Überflutung und Raumverdrängung.

Es "legal" oder "illegal", ist ein Weltkrieg oder ein "Stummheim", ist ein Propagandakrieg, handelt es sich auf einem globalen Niveau. Alle Nationalsozialisten sind weiße Führer!

NSK: Your current projects are obviously philosophical and art related.

Please describe your views on the impact of such topics in politics.

Molly: Well I try to still update the photo gallery, but mostly I've been concentrating on Adolf Hitler and the Army of Mankind (www.mooningtheancient.com/truth.htm) I'm at 21 pages now, and I have so much more to do. Studying WWII is an absolute minefield of information. You seek out information on one thing and find two more things to research. It feels a bit like you are an archeologist, unearthing the buried past. A past that they would rather not be brought to light. We can thank the internet again for the flood of information and pictures. Extremely rare stuff has

The Fight Goes On !

Seventy years after the capitulation of the Wehrmacht on May 8, 1945, the postwar National Socialist movement is stronger than ever not only in Germany, but throughout Europe.

Discards of mass murder, expulsion, persecution, and defilement have not sufficed to destroy the seed of the brilliant idea of our much loved Führer Adolf Hitler.

All National Socialists and other racially-aware consciences and social kinemen fight side by side for the preservation of our White folk.

The movement has indeed become stronger, but the danger of biological folk death is also much greater today than in the past.

The desperate enemy is in the process of committing genocide against all White folks. His means are non-White immigration, culture destruction, and neo-witching.

Whether "legal" or "illegal", whether in distant battle or street battle, whether armed with propaganda material or on a battlefield of a different kind, every National Socialist must do his duty!

Hail Hitler!
